BRAND IDENTITY PRESENTATION

The Concept

Three ideas, **one mark.**

The Somsat mark brings together a globe, a satellite and an orbit. The globe stands for global reach, the beam is the satellite signal, and the ring around it is the orbit.

In the wordmark the mark replaces the letter “o”, so the name and the symbol are one.

Dark Green is the foundation of the brand: about 70% of any layout.

Signal Green is the energetic accent: about 30%. Use it for highlights and calls to action.
