BRAND IDENTITY PRESENTATION

The Concept

A bottle, a drop, **a ring.**

The Somat symbol merges a perfume bottle with a perfectly round ring. The ring stands for completeness and craft; the gold liquid inside stands for the essence of the fragrance itself.

Paired with a clean geometric wordmark, the result feels modern, confident and luxurious.

Symbol **Variations**

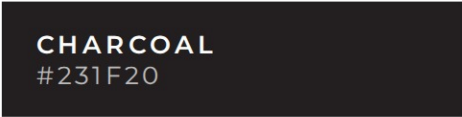

The standalone symbol is used for favicons, social avatars, bottle caps, seals and anywhere space is tight.

Colour Palette

Midnight Navy carries trust and depth. Use as the primary brand colour.

Champagne Gold adds warmth and luxury. Use as accent, never as large text.
