

Certificate of Completion

This Certificate Acknowledges That:

Mohamed Abdi Hirsi

has successfully completed the **Video Production Mastery Course**, part of Cohort 1 of the SIMAD iLab Professional Certification Program. The participant has demonstrated outstanding commitment and acquired essential filmmaking, video editing, Script Writing, storytelling, and production skills to create compelling visual content for digital platforms. The program emphasized both practical and theoretical learning through hands-on projects, teamwork, and mentorship.

In addition, the participant completed advanced training in:

- Digital Entrepreneurship
- Digital Freelancing

This certification recognizes the participant's achievement and readiness to apply their professional skills toward future career and business opportunities.

A handwritten signature in black ink, appearing to read "Bahja Ali", is written over a horizontal line.

Bahja Ali Mohamud,
Director, SIMAD iLab
